La premi?re fois que mes yeux
Se sont pos?s sur toi
J'ai senti au moi un frisson infini
Il y a qu'Â'en regardant dans tes yeux
J'ai vu un ciel enti?rement bleu
Cette fa?on d'entrer dans mon coeur
Me fait vibrer de bonheur

The first time I saw you
My dream just comes true
Softly, your eyes
I saw you with me baby
The feelings that I can't describe
I can't explain a reason why
The only vision that I see
Is you in my heart

When I kiss you
When I hold you
When I love you
When I tell you
I'm always there girl

(Je t'attendrai o? que tu sois)

When I sing with you
When I dance with you
When I be with you
Make love to you
I'm always there girl

(I will be waiting for you)

I will never ever let you go
This you already know
Cos the only words I say to you is goodbye

J'Â'ai envie, de ses nuits o? je r?vais de toi
Touch me
I felt you with me baby
The visions that I can't see
I wait for you to see it too (girl)

La seule vision que j'â'ai de toi
C'est d'être toujours là?

When I kiss you
When I hold you
When I love you
When I tell you
I'm always there girl

(Je t'attendrai pour que tu sois)

When I sing with you
When I dance with you
When I be with you
Make love to you
I'm always there girl

(I will be waiting for you)

I will never ever let you go
This you already know
Cos the only words I say to you is goodbye (goodbye
ooh yeah yeah)

When I kiss you
When I hold you
When I love you
When I tell you
I'm always there girl

(Je t'attendrai o? que tu sois)

When I sing with you
When I dance with you
When I be with you
Make love to you
I'm always there girl

(I will be waiting for you)

I will never ever let you
This you already know
Cos the only words I say to you is goodbye
Cos the only words I say to you
Je t'aime
