Love is where you find it when you find no love at home
And there's nothin' cold as ashes after the fire is gone

The bottle is almost empty, the clock just now struck
ten
Darlin', I had to call you to our favorite place again
We know it's wrong for us to meet but the fire's gone
out at home
And there's nothin' cold as ashes after the fire is gone

Love is where you find it when you find no love at home
And there's nothin' cold as ashes after the fire is gone

Your lips are warm and tender, your arms hold me just
right
Sweet words of love you remember that the one at
home forgot
Each time we say it's the last time, oh but we keep
holdin' on
And there's nothin' cold as ashes after the fire is gone

Love is where you find it when you find no love at home
And there's nothin' cold as ashes after the fire is gone
