I've tried so hard to keep our home alive
But you don't even care if I'm around
You tell me that somehow our love has died
And you'd rather be set free than be tied down

Alright I'll sign the papers
Even though you know I love you so
Alright I'll sign the papers
But oh, how it hurts to see you go

I've laid awake at nights while you were gone
And thought of all the things that I could do
To try and make you happy when you came home
But the more I try the more you make me blue

Alright I'll sign the papers
Even though you know I love you so
Alright I'll sign the papers
But oh, how it hurts to see you go
