Last time I hustle hard 'cause rappers just p*ssy
In the crown they safe in the hood was...

I get you my dough, get you this goal nigga
I nigga this slow, I'm pinching his nose hit it
No nigga.paint b*tches for this fly
.gonna... the perfect... for his...
Definition arm, I'm too jurasic, too...
... do the... don't make me black
'Cause it's ugly I'm back on my study
Losing up the... back to the...
Make me flash back to the... in the...
Don't make me relax... to the background
For me try to... more bears
So I can get that rose on that 23... crown ain't safe
So why you niggas screaming out you got next tell em
I say now... so keep...
Make you miss count attack when I step back
... before like... like a three degree...
Every time the kid... another coming talk about the kids
F*ck all your thing
It's game time
I gotta flow to school... I ain't b*tch...
'Cause I ain't listen... I want the crown
You all understand that, f*ck around with the crown
... I run the town I ain't chasing dream...
You can never be number two, so you see
I ain't shitting you... in your thoughts... take 2
No drama queen... I don't... behind the scenes... fly...
When I was... all...
Even when I ain't drive...
