Dear me,
I'm writing this letter to try and tell myself
Its time for me to feel better.

Dear me,
How could I turn away when he needed me?
Now all that's left to say is, dear me.
Oh, what have I done?
Oh, and dear me,
He's my only one.
If he could see me now,
Sitting here all alone,
If he could read these words,
Would he run back home?
Dear me.

Dear me,
Do you really mind?
You're the only friend
Who will take the time to be near me.
Oh no the plans we've made
If you'll take me back,
I'd do anything to make him stay.
Oh dear me,
We'll start all over again.
Oh, and near me,
I hope he'll stay to the end.
If he could see me now,
Sitting here all alone,
If he could read these words,
Would he run back home?
Dear me.

Ooo-ooo-ooo
(Instrumental break 6 measures)

Dear me,
We'll start all over again.
Oh, and near me,
I hope he'll stay to the end.
If he could see me now,
Sitting here all alone,
If he could read these words,
Would he run back home?

Dear me.
Ooh, ooh
Dear me,
You know I need him near me.
You know I love him, dear me.
