Sir, I do appreciate the offer  
I don't believe I caught your name  
I don't get to get out very often  
It's hard to find the time to get away

I think it's only fair you hear my story  
Before you spend three-fifty on that beer  
I got two little kids that call me Momma  
My fifteen-year-old thinks that I'm a witch

Between soccer practice and ballet  
Eminem an' Dr Dre  
Romance is the last thing on my list  
So, Frank, was it? Tell me what you think  
Do you still want to buy me that drink?

Frank, tell me, how d'you feel  
About teenage girls bein' on the pill?  
An' do you mind Friday nights at home?  
'Cause, Frankie, I've been here before

Married twice an' twice divorced  
An' alimony sure don't pay the bills  
Now that's an awful lot of information  
But I don't have the time to mess around

'Cause I got two little kids that call me Momma  
An' my fifteen year old wants to pierce his lip  
Between algebra an' spellin' bees  
An' anythin' to keep the peace  
Romance is the last thing on my list

So, Frank, honey, tell me what you think  
Do you still want to buy me that drink?

I got two little kids that call me Momma  
An' my fifteen-year-old's really a good kid  
I really wouldn't blame you none  
If you got the urge to up an' run

Is bein' 'Daddy' even on your list?  
So, Frank, darlin', tell me what you think

Do you still want to buy me?  
I'll have a Miller Lite, please  
If you still want to buy me that drink

Frank, c'mon back Frank  
You look a little pale, Frank  
It was just a joke
