TouchÃ© touchÃ©
You're right, there 's nothing I can say
I am a wishy, washy girl
But it's a wishy washy world

Go away
No, wait a minute
I want out
The I want in it
I'm all confused but I admit it
Go away
No, wait a minute

Ces La Vie, La Vie
That's what you get when you get me
I have the right to change my mind
At least a couple hundred times

Go away
No, wait a minute
I want out
The I want in it
I'm all confused but I admit it
Go away
No, wait a minute

I need some help
I'm not quite myself
And lately I'm a nervous wreck
My whole world has changed
And the reason I'm strange
Is I love you and baby that scares me to death

Go away
No, wait a minute
I want out
The I want in it
I'm all confused but I admit it
Go away
No, wait a minute

I'm all confused but I admit it
Go away
No, wait a minute
