You take a love that property of somebody else
That constitutes a capital crime
But stealing kisses ain't what this is I'm just helping
myself
Taking what rightfully mine

This is a stick up baby
Hold it right there, hand over your heart
I don't want to hurt ya baby, just give me your love
Hand over your heart, hand over your heart

If ya want to run, go on run
Your already caught, my loving I'm a aiming at you
Well, don't jump the gun, I'm the one whose calling the
shots
And I said please baby don't even move

This is a stick up baby
Hold it right there, hand over your heart
I don't want to hurt ya baby, just give me your love
Hand over your heart, hand over your heart

Know I feel your body tremble
It's such a easy life
But your the one who wanted to go walking
Walking after dark

This is a stick up baby
Hold it right there, hand over your heart
I don't want to hurt ya baby, just give me your love
Hand over your heart, hand over your heart

This is a stick up baby
Hold it right there, hand over your heart
I don't want to hurt ya baby, just give me your love
Hand over your heart, hand over your heart
