I wouldn't know what to say  
I wouldn't know what to do  
If you came back from Heaven  
And I could look at you  
Would I fumble for the words  
Would I be a little shy  
Would I bust right out with laughter  
Or break right down and cry  
Oh, if you came back from Heaven  
Would it be like it was then  
Could we just pick up where we left off  
And try it all again  
Oh, if you came back from Heaven  
It would freeze me in my tracks  
And I hope God knows, if He let you go  
I'd never send you back  
Do your kisses feel the same  
Do you still have the same touch  
And will you whisper softly  
'Cause you've missed me so much  
Have you heard all my prayers  
When I laid down at night  
And did you feel my body  
When I held your pillow tight

Oh, if you came back from Heaven  
Would it be like it was then  
Could we just pick up where we left off  
And try it all again  
Oh, if you came back from Heaven  
It would freeze me in my tracks  
And I hope God knows, if He let you go  
I'd never send you back  
And if, God forbid,  
You leave this earth  
Again while I sleep  
I hope He knows, if you go  
You'll be bringing me  
Oh, if you came back from Heaven  
Would it be like it was then  
Could we just pick up where we left off  
And try it all again

Oh, if you came back from Heaven  
It would freeze me in my tracks  
And I hope God knows, if He let you go  
I'd never send you back  
I hope God knows, if He let you go  
I'd never send you back
