Everything I've tried to do for you has always turned  
out wrong  
It took a lot of love inside of me to keep me here this  
long  
It's too late to dim the lights again expecting me to call  
Cause tonight I'm gonna leave you and I'm leavin'  
standin' tall

If I could see inside your mind I wonder what I'd find  
There's somethin' there that's made me come so close  
to losin' mine  
The tallest tree will sometimes bend oh but that won't  
make it fall  
I'm packin' it up to leave you and I'm leavin' standin' tall

Now I'm pickin up the pieces of the heart that you've  
been breakin'  
And I'm down on my knees just to try and find them all  
And when I get up one long last look is all that I'll be  
takin'  
Cause tonight I'm finally leavin' and I'm leavin' standin'  
tall  
Yea tonight I'm gonna leave you and I'm leavin'  
standin' tall

Sweeter than my wildest dreams  
Yeah you showed me what true love means

And I knew nothing I could say or do  
Would come close to thanking you for your love  
And I could try for the rest of my life  
But that wouldn't be half enough

And I knew nothing I could say or do  
Would come close to thanking you for your love  
And I could try for the rest of my life  
But that wouldn't be half enough

And I could try for the rest of my life  
But that wouldn't be half enough

Half enough, half enough

It wouldn't be half enough  
Half enough, half enough  
It wouldn't be half enough  
Half enough, half enough  
It wouldn't be half enough  
Half enough, half enough  
It wouldn't be half enough  
Half enough, half enough  
It wouldn't be half enough
