I'll just keep on falling in love 'til I get it right
Right now I'm like a wounded bird hungry for the sky
But if I try my wings and try long enough I'm bound to
learn to fly
So I'll just keep on falling in love 'til I get it right

My door to love has opened out more times than in
And I'm either fool or wise enough to open it again
'Cause I'll never know what's beyond that mountain 'til I
reach the other side
So I'll just keep on falling in love 'til I get it right

If practice makes perfect
Then I'm near 'bout as perfect as I'll ever be in my life
So I'll just keep on falling in love 'til I get it right

If practice makes perfect
And I'm near 'bout as perfect as I'll ever be in my life
So I'll just keep on falling in love 'til I get it right
