The more I needed, the less you gave
I guess you thought that it worked that way
You never listen
And now that I'm leaving
You not believing a word I say

Whoa, If you think I wont go
Watch me
Oh, watch me prove you wrong today
You dont even know you lost me
You think Ill always stay
Oh, just watch me walk away

Dont tell me that it cant be done
that the world is colder without someone
it might get lonely
it might get crazy
But this time baby,
Im good as gone
(Chorus)
(Tab)
Cab on the street
Hand on the door
Bag at my feet
Need I say more

Oh watch me

You dont even know you lost me
You think Ill always stay
Oh just watch me walk away
Oh just watch me walk away

(Chorus)

Yeah, if you think I wont go
Watch me
oh watch me prove you wrong today
You dont even know you lost me
You think Ill always stay
oh just watch me walk away
oh just watch me Walk away
