I'm the center of attention in this barroom
'Cause I've got the biggest heartache of the year
And each night those swingin' doors reach out to me
and draw me in
'Cause they know each night that I'll be back to wine me
up again

Wine me up, turn me on and watch me cry for you
Lately drinkin' warm red wine is all I want to do
And I'll never know how tight I'll wine me up 'til I walk in
But I don't care 'cause I'll be back to wine me up again

I'd like to thank the men that raise the grapes way out
in California
And I'm hopin' this will be their biggest year
'Cause scarlet water's all that's left to keep me hangin'
on
That's why I'll try to wine me up each day and night
next year

Wine me up, turn me on and watch me cry for you
Lately drinkin' warm red wine is all I want to do
And I'll never know how tight I'll wine me up 'til I walk in
But I don't care 'cause I'll be back to wine me up again
