I sit there talking to myself Why can¢Â€Â $^{\text{TM}}$ t he turn it down? He keeps that TV up so loud that I canâ€Â $^{\text{TM}}$ t think Every time I turn a page He starts to talk about his day Canâ€Â $^{\text{TM}}$ t he see Iâ€Â $^{\text{TM}}$ m trying to read

Itâ€Â™ s cold enough in here to freeze He keeps it 68 degrees Whatâ€Â™ s that man been thinking of In all the years weâ€Â™ ve been together Youâ€Â™ d think heâ€Â™ d know me better than he does

I sit there wondering to myself Why he wears the same old clothes With any sense, he \tilde{A} ¢ \hat{A} \in \hat{A} \in

And $\operatorname{can} \hat{A} \notin \hat{A} \notin \hat{A}^{\operatorname{IM}}$ the tell what mood $I \hat{A} \notin \hat{A} \notin \hat{A}^{\operatorname{IM}}$ m in The way $I \hat{A} \notin \hat{A} \notin \hat{A}^{\operatorname{IM}}$ ve got my back to him $I \operatorname{don} \hat{A} \notin \hat{A} \notin \hat{A}^{\operatorname{IM}}$ t feel like making love In all the years $\operatorname{we} \hat{A} \notin \hat{A} \notin \hat{A}^{\operatorname{IM}}$ ve been together, You $\hat{A} \notin \hat{A} \notin \hat{A}^{\operatorname{IM}}$ d think $\operatorname{he} \hat{A} \notin \hat{A} \notin \hat{A}^{\operatorname{IM}}$ d know me better than he does

I sit there thinking to myself Why he \tilde{A} ¢ \hat{A} \in \hat{A} \in s been coming home so late He knows that supper \tilde{A} ¢ \hat{A} \in \hat{A} \in s waiting on the stove I sit there lying to myself About the suitcase in the hall And the night I heard him call her on the phone

Said $he\tilde{A} \not c \hat{A}^{\text{TM}} d$ been thinking to himself The way $I\tilde{A} \not c \hat{A}^{\text{TM}} d$ ve treated him like hell That $I\tilde{A} \not c \hat{A}^{\text{TM}} d$ ve forgotten how to love And right before he drove away Through his tears I heard him say I donâ€Â™ t talk to him enough

In all the years $we\tilde{A} \not\in \hat{A}^{\intercal M}$ ve been together You $\tilde{A} \not\in \hat{A}^{\intercal M}$ d think $he\tilde{A} \not\in \hat{A}^{\intercal M}$ d know me better than he does In all the years $we\tilde{A} \not\in \hat{A}^{\intercal M}$ ve been together Why $don\tilde{A} \not\in \hat{A}^{\intercal M}$ the know me better than he does?
