no coincidence i appear then your bitches vanish
now you appear at the disadvantage

will get all your wishes granted
these niggas lack conviction
aint convincing shit
had my bitches scramble through your pockets
like they blitzen vick

its tradition, you dig it bitttttch?
niggas is bustas man all you suckas is licorice
you dont snitch on ya brothers

make us cut off your tongue
to butter the gun to your gums
talkin punishment a mother wouldnt want for her son

cut the top off the coupe of the old j
push a button fix the roof and bump the old j's
if you trill i fucks wit chu, the long way
