[Los]

And this is Zero, uh, so you gon' need some nula  
I would say f\*ck the world but I get tired after two nuts  
Inspired by my father's death to hit harder than Tarvis  
left  
A bit harder than brick walls, I missed all of them pit  
falls  
Puffy like that referee that missed all of them big calls  
Because the b\*tches and big cars'll blind you  
I get called the best rapper alive just to remind you  
And I ain't trying to sh\*t on you but if the shoe fits on  
you  
You just gon' have to wear it, walk in it amidst the  
ridicule  
The winners do the strangest things, we don't  
hibernate  
Our pupils dilated, we up for people to violate  
I tie a snake in a knot, you sly fox  
From The Wire better known as the home of the pine  
box  
Behind gwap, get found behind rocks, there's so many  
crimes  
Over your many blinds and watch so-so many times  
I heard so many kinds of shots and at any time  
Get robbed for any shine you got, Zero  
I spell it Z-E-R-O, push horses like we be Zorro  
Go harder for the dinero, hoping that we see tomorrow  
These verses free to borrow, flow colder than East  
Chicago  
God dag, if I stood up on my swag, I could see Toronto  
I need that cheese like pronto and I ain't making pizza  
Been known to carry beef, I ain't Jamaican neither  
A million laps and running, I never take a breather  
These rappers a bunch of girly actors, hey Kadejah  
Regine, Max and 'Claire, I'm going in  
Call me a house with the Tootie out, just call me over  
ten  
Gifted, it's Mr. Kringle, the sh\*t that make b\*tches  
tingle  
And never ever took the radio, a living single  
Sit calm and cool, y'all sitcoms comical

I start at S and skip the T, n\*gga I be on to you  
But you don't get it, you super slow  
I'm just a regular n\*gga that got a super flow  
They study me super hard, you should call me Super  
Los  
They know they can't f\*ck with me so they just claim  
they super close  
You got a groupie ho, I got a group of hoes  
I keep the top down, you'll never catch the coupe with  
clothes  
This is Z to the E to the R to the O
