Thy die we got one baby
I dont thing they are ready for this
Say what you do ..

Say what you do
She said making a play
I say plan for who
She said you and me
Most money
this bitch down
Tell em kiss your us cause your rich now

Nigga who its coming
.
Nigga better catch up like a condom

When my money are so good and my bitch so bad
.
She never seen a boy that clean
.
Rolling slow when Im dizzy
Moneys over here

My nigga I shine
My eye my biz my biz my biz my biz
What they say about me
Fuck what they say about me

Like a sushi bar
I dont treat mother fucker
I dont chose the
She make a wish cause she looking to a star
A cup of few cigarettes

I got a hole new plan to get new money
I got a new dare
As she go of
..
After all I do.

They can blay me Im honest

.
Dont frustrate me
.
Staying in the couch
.my bitches
.. my nigga
My eye my biz my biz my biz my biz
Well what they say about me
Fuck what they say about me
If they aint about money
Then they aint about me
My eye my biz
