Counting money, get me high
Custom cussit, call it caddie, whippin by
Sitting high, man Im talking bout
2 force like cod, got 2 whores on cod
Hop up in these 2 doors,
You can say obe me at the same time
The same damn time
Im a diddy Im a future, at the same damn time
Won a bet, say its gotta nigga hot like a bcb rate
Got a nigga fly as a bitch, my watch is a bitch
My benz is a house, my house in the hills
The hills in the sky, my mind in the clouds
Reminding the clouds, Im out for the shine

Bitch Im faded, off this green
No not with it, talking green
Yeah I grind, talking it dean
When my high come down, gotta hit another lick
So Im up like a fiend, tryina get another fix
See some niggas, need codeine, pop a molly, and mo
nigga
I get money, like go niggas
Thats my drug, I od, like on me, I od,
Like on me, I od
See some niggas, might blow trees
I get money, I od

Man we got meech and beaver bear, lion fox and rabbit
too
Just never be her beaver bear, cause that pussy like a
zoo
I like em new, like my clothes, when I cop and grab a
few
Im not just addicted to money, I got shoppin habits too
I be like jordans, jays, your money fading away like
Jordan, jays
Way I play, the source of pain
A lot of money out with the holiest blade
Enjoy your day, cause Im enjoying mine
Doing me, wrapping rubber bands around a stack of
dollar bills

You wanna bet I wouldnt make it, then I probably break
your bet
And fuck around and spend your money on my wiz
Cause Im riding, on cocaine
No man that dont mean Im high,
That mean is wide Im wide, and the top going back
So far that I bet that bitch probably
Mean roll game
When my high come down, gotta hit another lick
So Im up like a fiend, tryina get another fix

See some niggas, need codeine, pop a molly, and mo
nigga
I get money, like go niggas
Thats my drug, I od, like on me, I od,
Like on me, I od
See some niggas, might blow trees
I get money, I od
See some niggas, might blow trees
I get money, I od
Like on me, I od.
