Hey yo that shit it's getting critical  
I think they think I'm in the school

'.

Look here nigga  
You girl look here

It's magic  
No looks here nigga  
Here nigga  
I beyond them nigga

'

Sleeping early nigga like ..  
Speaking the ' thislose bars  
But my men give to me my new jobs

..

Like we have new cars  
This plan it's for you nigga to '  
Get you arm bandage  
I'm planning to get you home  
back to you bitch I came back to you  
..and I make back through you  
And bad to you  
Whatever happened to you

'.

And practice Voodoo  
As matter of fact I'm a rap guru  
Who're you?

'

I won't buy your heart  
Don't make me a ' nigga  
They may fucking ' .  
Don't play that  
Cause they took all nigga  
They took our studio from us  
But now .. I'm a beast  
And I'm back and better  
I was becoming a king and know I'm back from my  
chair
