It was all a dream

'

I was refresh nigga

Before I started to shine

..

With not provide me

I'm in a small fancy

'

And we go 'cause the money can't stop here

Cause it's funny how we got here

'

Sky it's the limit

Just keep on pression on

Sky it's the limit so you know that you can have all you

want be what you want

Have what you want

Be what you want

I was only sixteen when I '

Rubbing my happiness '

'

Welcome to the dangers of '

' to my emotions

I made a choice in my situation

Unfortunately I'm the ' of my generation

Like the hole word play with our '

Sky it's the limit

Just keep on pression on

Sky it's the limit so you know that you can have all you

want be what you want

Have what you want

Be what you want
