### VERSE ONE

No, these just ain't fucking words  
No, this ain't no fucking verse  
Nigga this my fucking life  
I been through the fucking worst  
First they took my father from me  
Shot him in the fucking head  
Then they took my homies from me  
Locked 'em in the fucking Fed  
Then they took my cousin (Churl)?  
And they kidnapped Mardy's girl  
After that I lost my deal  
Had me screaming fuck the world  
(Now my nigga Mardy locking  
Feds ran up in Puffy shit)?  
But I worked too hard to get signed  
And I been through too much to quit  
So much pain inside my heart  
So much passion in my eyes  
That now I just invite the pain  
I think it's passion in disguise  
Bless my God that kept me safe  
I cherish every single breath  
But Lord knows I been through so much  
That up's the only thing that's left  
Momma if I'm bitter lately  
Sorry I don't mean to be  
But I wake up in cold sweats  
Fighting demons in my sleep  
Pray to Lord my soul to keep  
Want for nothing less than more  
So anything I'm going through is everything I'm  
destined for

### CHORUS

If you've got a question, well I am the answer  
(In the blink of an eye)? I can make a believer  
I'm an achiever  
(Livin in hustles)?  
When I was down I found strength in my struggles  
I'm unstoppable

Destined to be unstoppable  
Unstoppable  
Destined to be unstoppable  
Unstoppable

#### VERSE TWO

Faced my fears and tucked my pride  
Took a loss then earned it back  
Never had to hide my hurt cuz everybody turned they  
back  
Never made too many threats  
But I promise you they gon learn  
I came to re-decorate  
It's funny how them tables turn  
Love can't be an open door cuz often times these  
strangers knock  
My heart been a house of pain and every month I  
change the locks  
My swag be on ADT cuz they try to pull B and E's  
Homie ain't no windows here cuz nobody be seeing me  
I'm screamin out I'm the best but ya'll niggas don't hear  
me though  
Revenge is sweet and this is my recipe for a miracle  
It's such an equation  
Menage a trois with greatness cuz at the same time I'm  
fucking amazing  
My verse could penetrate the Earth  
The dead could probly feel this shit  
At least when they wish me the worst, it's something  
I'm familiar with  
I'm still legit, still the shit, you know where my heart is  
at  
They tell me it's impossible, but shit I like the odds of  
that

#### CHORUS

If you've got a question, well I am the answer  
(In the blink of an eye)? I can make a believer  
I'm an achiever  
(Livin in hustles)?  
When I was down I found strength in my struggles  
I'm unstoppable  
Destined to be unstoppable  
Unstoppable  
Destined to be unstoppable  
Unstoppable
