I hope you don't go away.
I still have some nice things
To do and say.

I don't laugh when I can.
I don't feel like
A very good man.

But you know me well.
Wouldn't it be swell
To find nothing blue
About me and you?

Your blue suede shoes:
You left them on mine last night,
After the wine and the fight.

But we're a dime in a well:
That hard to find.
They lose their mind
Just thinking about me and you.

Your blue suede shoes:
You left them on mind last night.
It's alright.

I do, I take care of the love
'Cause red rockets fly if you don't.
I'm always gonna worry about this,
But you tell me, "It's okay, Chris."
I can't tell you why babies cry.
Our lies- they won't keep us alive.

I hope you don't go away.
I still have some nice things
To do and say...
Like, we're a dime in a well:
That hard to find.
They lose their mind
Just thinking about me and you,
And your blue suede shoes:
You left them on mine last night,

But it's alright.

I'll try to laugh when I can.

I'll try to be a better man.
