"Not Nice"

You're always so still.
I never will be like you
And you never will strike me better.

It's always so clear.
You're never really here at all
And I fear you won't get better.

When you're not being nice,
You're not nice,
You're not nice,
You're not nice,
I'd rather leave you alone.
I'll leave you alone.

You've been quiet for so long.
If something was wrong, you'd never say a word,
So you won't get better.

That's your fifth drink.
Do you think that's a lot,
Considering we've only been here for a while now?

When you're not being nice,
You're not nice,
You're not nice,
You're not nice,
I'd rather leave you alone.
I'll leave you alone.

You're always so still.
I never will be like you
And you never will strike me better.

When you're not being nice,
You're not nice,
You're not nice,
You're not nice,
I'd rather leave you alone.
I'll leave you alone.
That's all.
