Baby, I Love you

I wanna take you
Around the world
With me, wherever i go
I'll give you diamonds and pearls
but I don't want you love me
For vanity
Love me, for me

I want to introduce myself to your parents too
you can meet my friends and i meet your friends too

Girl, I wanna go Away
(I wanna go anywhere with you)
With you
(Anywhere, Anywhere)
Cause I don't care what they wanna do
And I don't care what they wanna say
(I don't care what they wanna do, or say)
I'm gonna love you [...] Baby
(I love you, I love you)

I know, I've done unsmart things
I'm asking for your forgiveness, Baby
I swear i'll give you full [...]
Girl, I'll be true to you
(with you, be true)
And i will be so faithful
(fauthful, faithful)
Girl, don't let your friends tell you
that i'm cheating
this is just a lil lie on me
Baabyyy

Girl, I wanna take you on tour
Around the world
(I wanna go anywhere with you)
[...]
(take me there, take me there)
Girl, let me love you
(I wanna go anywhere with you)

I'mma giving you what you really need from a man
Girl, I will give you maximum satisfaction
Oh, if you be my true woman
Girl I wanna take you arround the world
(I wanna go anywhere with you)
[...]
(take me there, take me there)
Oh baby,
Gyaaaalll
Let me take you...
