Haven't sitting here for the past
Turning till it's gonna over what you said to me
And now I'm keeping in this death namely though
Like what we used to plan to be
And you could say I'd never pick you now
Girl, I watch my whole world fall down
You told me I should take some time alone
Girl, you don't know what happened me
You are like the other half of me
You're the one who make me better
Girl, ... is just to long

If I can hold your body on mine, body on mine
Girl, you touch on mine, touch on mine
I can't sleep, it's just ain't right
I can't be loving you, tell me what I'm supposed to do
Oh baby, pain gone crazy, crazy
Baby, pain gone crazy, crazy
I can't sleep, it's just ain't right
I can't be loving you, tell me what I'm supposed to do

Looking for the light of the end of the tunnel
I'm just swimming for my fault away
Girl, you know I try to give you everything
But still you needed more, nothing easy
I need a reason, you left with no explanation
You just said I need a change, don't know what's been
on my brain (no)
I don't wanna lose you, but you don't know the have of
that
Cause girl you would the half of me
Youho make me better, yeah
And girl I can't be this long

If I can hold your body on mine, body on mine
Girl, you touch on mine, touch on mine
I can't sleep, it's just ain't right
I can't be loving you, tell me what I'm supposed to do
Oh baby, pain gone crazy, crazy
Baby, pain gone crazy, crazy
I can't sleep, it's just ain't right

I can't be loving you, tell me what I'm supposed to do

Nawehs

Oh baby, pain gone crazy, crazy (Baby)
Baby, pain gone crazy, crazy
If you love your girl, that's the one thing in the world
Say baby pain more crazy, crazy
Oh baby, pain gone crazy, crazy

If you love your girl, that's the one thing in the world
Say baby
