I-i-i don't wanna do this no more (x4)

I-i-i hear what you're saying
But its never gonna make no
Difference to me anyhow
Im sick of waiting
i-i-i I'm sick of waiting

im trying to figure (out)
why you do this to (me)
I shoulda let you (out)
But I aint a quitter though

i-i-i-I shoulda seen the signs
i-i-i-I let you in my life
Girl I heard it coming
All around
But you were nothing
But I kept it down

Now you got these games that you playin'
Now I hope you hear what im sayin'
I-i-i don't wanna do this no more (x8)

Now you turn the tables into me
But how was I able to know
We, never really happened like the textbook said,
But maybe that's my fault
Cos I shoulda read

How was I the one to know you (you)
Would be the one to treat me like a fool (fool)
But know im sittin' here
tryin' figure out what was goin through your
mind
Whoaa!

I-i-i don't wanna do this no more (x8)

Whoaa! That's why im sayin'

I-i-i don't wanna do this no more (x8)
