I'll be yours forever, never be

How come you're always in my dreams?
Girl, I think about you all day long
Every second, every day, every week
You're the only one I'm thinking of

Girl, I wanna go and tell my friends
But I'm afraid they'll get jealous yea
And I know it's a crazy thing
But you're the only one I truly love

If sky's the limit, girl I'm running out of air yea
This way I'm feeling, that could never ever compare
yea
My world's spinning but as long as you're here
I'll be yours forever, never be yea uh

We've been through these ups and downs
To the point we didn't wanna see each other
But look where we are right now
I wouldn't wanna have it any other way yay

Girl you
Me and you, that's forever
Girl you
You and me, that's forever
Girl you
Aye forever
Girl you
Ever ever ever

Girl you
Me and you, that's forever
Girl you
You and me, that's forever
Girl you
Me and you, that's forever
Girl you

Girl, your love

If sky's the limit, girl I'm running out of air (girl I'm
running out of air)
This way I'm feeling, I could never ever compare ay yea
My world's spinning but as long as you're here
I'll be yours forever, never be yea uh

If sky's the limit, girl I'm running out of air (girl I'm
running out of air)
This way I'm feeling, I could never ever compare (I
could never ever compare)
My world's spinning but as long as you're here (you're
here)
I'll be yours forever, never be yea uh

Girl you
Me and you, that's forever

You and me, that's forever

Girl you
Me and you, that's forever

If sky's the limit, girl I'm running out of air
This way I'm feeling, I could never ever compare
