Star light, star bright
Glow in the dark for me tonight
I won't waste your time
Just glow in the dark for me tonight

Cause you, turn it up
Girl you turn me on yea yea
And it's you that I want
So glow in the dark

Oh oh oh oh oh
Glow in the dark
Oh oh oh oh oh
Glow in the dark

I will follow you to the end of the world
I will follow you til my heart stops beatin
I will follow you anywhere
But first you gotta glow in the dark yea, yea
(First you gotta glow in the dark)

Don't run, don't hide
Without your love I won't survive
And if this feels right
Then glow in the dark for me tonight

Yea you, turn it up
Girl you turn me on yea yea
And it's you that I want
So glow in the dark

Oh oh oh oh oh
Glow in the dark
Oh oh oh oh oh
Glow in the dark

I will follow you to the end of the world
I will follow you til my heart stops beatin
I will follow you anywhere
But first you gotta glow in the dark yea, yea
(First you gotta glow in the dark)

Oh yea, yea
(First you gotta glow in the dark)

Star light, star bright
Glow in the dark for me tonight
I won't waste your time
Just glow in the dark for me tonight

(Star light, star bright
Glow in the dark for me tonight)
