[verse 1]

Look at her so cool.  
Chillin wit her boyfriend.  
But she keep on eyeing me.  
Like I'm here baby.  
I know what you want girl  
So stop hesitating.  
Tell that nigga bye-bye.  
Cuz I'm busy waiting.  
I know you like me.  
So lets take it home girl.  
See every time he call I be on your ringtone girl.  
I bet you talk about me on your Myspace.  
Cut the frontin, I ain't got no time to waste.

[chorus]

I know you gotta man.  
He ain't gotta know about.  
Baby understand tonight your comin home with me.  
I know you gotta man.  
He ain't gotta know about.  
Baby understand tonight your comin home with me.

[verse 2]

Now we got the mood slow.  
Layin on my table.  
Kissin on ya navel.  
It's too hot for cable.  
Take you to my bedroom.  
You can play my angel.  
100 karts on my neck that can be ya halo.  
Heard you a get-it-girl, don't you know I like that.  
Bed full of pillows girl, you know you can bite that.  
And you ain't gotta worry about your man.  
Girl I'ma make you understand.

[chorus]

I know you gotta man.  
He ain't gotta know about.  
Baby understand tonight your comin home with me.  
I know you gotta man.

He ain't gotta know about.  
Baby understand tonight your comin home with me. [Til  
song fades.]
