you
Are you gonna tell me it could've been better,
better without you leaving

When you gonna tell me it could've been, better without

headed for nowhere, and you're leaving,
Headed for nowhere, and you're leaving

Look what you've done to me
Look what you've done,
Look what you've done no no
when there is nowhere to run

Chorus:

When you gonna tell me it could've been, better without
you
Are you gonna tell me it could've been better,
better without you leaving
come back to me, leaving, come back to me, leavin
headed for nowhere, and you're leaving,

Headed for nowhere, and you're leaving
