i was fun of that so there 's out from sky
and on the other side of town i wasn't from behind
they said i can't resist the .. for the love
but ever since we've met our hearts just open up.

who knows this way going on
what's going on?
look at what we've started, started
'cause i'm from venus you're from mars yeah.

chorus:
we're from two different places stuck in this world
and from two different planets
we fell in love, here on the earth
here on the earth.

if someone like you could really change my life,
and now that i found what i ain't ...
we got the rest of our lives.
boy you got my heart, anything you need
i do it right from the start yeah
...baby you ain't got to ask
you're the best thing i have hey.

who knows this way going on
what's going on?
look at what we've started, started
'cause i'm from venus you're from mars yeah.

chorus:
we're from two different places stuck in this world
and from two different planets
we fell in love, here on the earth
here on the earth.

yeah, oh, here on the earth
here on the earth, here on the earth
i ain't going nowhere baby
now that you're here oh

[chorus:]

on earth yeah, on earth yeah,
on earth yeah, on earth yeah,
on earth yeah, on earth yeah,
here on the earth yeah.
