Oh oh, ole, oh, oh, ole

Lights, everywhere, feel the base in the atmosphere
Touch open clear, on my body
I could fall from here

Cause we're spinning on the ceiling right now, now,
now
There's no way you could bring us down, down, down
Turn the world upside down, rock it like a stadium

Oh oh, ole, oh, oh, ole
Get it girl, party all day, party all day
Get it girl
Oh oh, ole, oh, oh, ole
Get it girl, party all day, party all day
Get it girl,
Party all night, oho, party all night
Party all night, oho, party all night
Party all night, oho, party all night

Girl, loose control, on the floor
Getting off with me
Tonight, it could be, you and me
Take a chance on me

Cause we're spinning on the ceiling right now, now,
now
There's no way you could bring us down, down, down
Turn the world upside down, rock it like a stadium

Oh oh, ole, oh, oh, ole
Get it girl, party all day, party all day
Get it girl
Oh oh, ole, oh, oh, ole
Get it girl, party all day, party all day
Get it girl,
Party all night, oho, party all night
Party all night, oho, party all night
Party all night, oho, party all night

Oh oh, ole, oh, oh, ole
Get it girl, party all day, party all day
Get it girl
Oh oh, ole, oh, oh, ole
Get it girl, party all day, party all day
Get it girl,
Party all night, oho, party all night
Party all night, oho, party all night
Party all night, oho, party all night.
