[feat. Krys Ivory]

When we play hide & seek, yeah, hey yeah
When we play hide & seek, yeah, hey yeah
I dream about you and me, when we play hide and
seek
I just count one two three, till you back here with me
Baby Girl don't you know [x3]
Olly Olly oxen free
Olly Olly oxen free...
You can come out now, you can come out now

Hey girl, I know you're tired, cause you steadily runnin
through my mind
When I'm at the club, when I'm with the bro's
Yeah I think about you all the time
When you'll be talking on the phone girl
When you get home it's gon be on... girl girl
I'll be there waiting at your door, girl, yeah
And you know what I'm here for girl, yeah
Hide and seek, come to me

I dream about you and me, when we play hide and
seek
I just count one two three, till you back here with me
Olly Olly oxen free
Olly Olly oxen free
You can come out now...

Hey boy, are you a thief? Cause you keep stealing my
heart away from me
When I'm at the Mall, when I'm with my girls
Yeah, I can never get you off of my mind
When we be talking on the phone boy
When you'll get lonely I'll be all yours... boy boy
I'll be there waiting for your love, boy, yeah
And you know what I'm here for, oh, yeah
Hide and seek, one, two, and three...

I dream about you and me, when we play hide and
seek

I just count one two three, till you back here with me
(Boy don't you know?)
Olly Olly oxen free
Olly Olly oxen free
(You can come out now) Olly Olly oxen free
Olly Olly oxen free

I'm gonna always be up down, nothing in the world
gonna change my heart and eh
And no matter where we'll be at girl you got my heart...
Either when I try to hide from,.. feel ashamed
Baby I'm happy can you hear me callin
Baby, won't you come out and play with me?
Olly, Olly oxen free
One, Two, Three, yeah
I dream about you and me, when we play hide and
seek
I just count one two three, till you back here with me

(Baby girl don't you know)
Olly, Olly, oxen free
Olly, Olly, oxen free
