[** feat. Young Rocky:]

Oohh, ohhh*

Tell me what you see when you're looking to me baby Tell me is it really so the money and fame never gets me baby

But you just don't know, and all the fans stay for my autograph baby

I just need is love and late night when the crash in the pieces baby

I'll be all alone.

Ohh, I don't know, play my... No, it's so cold, I can't give a promise

Said I'd rather be a ghost of a memory, That to lose all of myself, But a part of me says it should let it be, ohh

[Chorus:]

It's another lonely day at the top, eyyy
It's another lonely day at the top, eyyy
It's another lonely day at the top, eyyy
At the top, at the top, at the top,
But I'm gonna keep rockin' yeahh
... stop, just another lonely day at the top.

Tell me what you see when you're looking at me baby You would think I was a winner but,
Other see the fantasy baby
They will see me to the...
I've been running around myself...
Over and over again,
I've been running around...

Ohh, I don't know, play my... No, it's so cold, I can't give a promise

Said I'd rather be a ghost of a memory, That to lose all of myself, But a part of me says it should let it be, ohh

[Chorus:]

It's another lonely day at the top, eyyy
It's another lonely day at the top, eyyy
It's another lonely day at the top, eyyy
At the top, at the top, at the top,
But I'm gonna keep rockin' yeahh
... stop, just another lonely day at the top.

Let the top flow chilly,. on a silly
... we could is so dilly
Paper rose... pretty...
Be my... really... trying to get
I pop it like a window on your... touch screen
I mean, I'm take off... 1, 2, 3...
We don't need your hands...

[Chorus:]

It's another lonely day at the top, eyyy
It's another lonely day at the top, eyyy
It's another lonely day at the top, eyyy
At the top, at the top, at the top,
But I'm gonna keep rockin' yeahh
... stop, just another lonely day at the top.
