Oh, Oh, yeah, yeah
Damn, here go another attitude
And to play it off like I'm just bein' rude
When I didn't do shit to you, to you
Damn, why you gotta treat like I'm two
What's running and telling your friends gonna do
Tryna work it out, but you keep on running your mouth
Listen to me baby

No more, I ain't fucking playing
No more, coming in now
Over and over and over again
Over and over and over again
And I be like

Oh she on her period
She just talking reckless
She didn't have a long day
She didn't have her breakfast
For real, it's all over again,
All over and over and over again x2

Damn, did you just really throw my mac
Did you just really throw my clothes
And my phones, out the door?
The fuck is wrong with you?
I thought I had a winner
All this over my facebook and my twitter
Never did you wrong though, tried to see the picture
But it was like you were gone,
and now I'm seeing to the inner, baby

No more, I ain't fucking playing
No more, coming in now
Over and over and over again
Over and over and over again
And I was like

Oh she on her period
She just talking reckless
She didn't have a long day

She didn't have her breakfast
For real, it's all over again,
All over and over and over again x2

Hey, what the fuck is up
Yo, what the fuck go down
Any time that I come around all madness seems to
come to mind yeah
Girl and I ain't gon' lie
I can't forget your smile
Just learn your lesson baby, I do the time when I run a
thousand miles
I'm serious
I ain't hearin' yah
When I come to talk, you're like seria
Like step, crack and popping with you
And girl I've got a fucken lot to do
Got a lot to prove
And I may not mean a lot to you
You stop what I am about to do
Yeah, what I'mma do in
5, 4, 3, 2

Oh she on her period
She just talking reckless
She didn't have a long day
She didn't have her breakfast
For real, it's all over again,
All over and over and over again x2
