Hey baby, can't get up there hey  
I've been living all day, looking for a chance just to lock  
you up  
You seem to get it, bad attitude, compliments get there  
to you  
But I can see it ... that you make up  
You made scars baby torn your heart inside out  
... starts baby, no one let you cry now,  
She cry, oh, yeah  
I can't stand it, oh, yeah  
No one's coming to her rescue  
She cry, oh, yeah  
I can't stand it, oh, yeah  
No one's coming to her rescue, yeah  
Oh, yeah, no one's coming to her rescue, yeah  
Oh, yeah,

Hey baby tell me what does it take  
I've been waiting patiently, looking for a reason to lock  
you up  
You seem to get it bad attitude, compliments get there  
to you

But I can see it ... that you make up  
You made scars baby torn your heart inside out  
... starts baby, no one let you cry now,  
She cry, oh, yeah  
I can't stand it, oh, yeah  
No one's coming to her rescue  
She cry, oh, yeah  
I can't stand it, oh, yeah  
No one's coming to the rescue, yeah  
Oh, yeah, no one's coming to her rescue, yeah  
Oh, yeah, oh, yeah, no one's coming to her rescue

Oh, oh, oh, oh, save me, save me, save me, save me,  
save me  
She cry, oh, yeah, save me, save me, oh yeah  
No one's coming to her rescue  
She cry, oh, yeah, save me, save me, oh, yeah  
No one's coming to her rescue, yeah  
Oh yeah, oh yeah, no one's coming to her rescue, yeah.

Oh, yeah, oh, yeah, no one's coming to her rescue,  
yeah
