Look you got your head, all done
Uh you gonn be bad when I m done
Step into my liv, drink some
Then climb on to my bed and go numb
[Chorus]
Yeah, ain t no need for second guessing
When you bout to start undressing, yeah
Girl your body is a blessing and I love the way I m sexin

You, you, you
Bounce, bounce, bounce
You, you, you
And I love the way I m sexin you
You, you, you
Bounce, bounce, bounce

Crawl on to the bed, boy girl
Tell me can you take more girl
Should we hit the table or the floor, girl?
Nothing like you had before, girl

You, you, you
