Baby i could say i'm sorry for it, Baby i could say it's all my fault.

I can lie in the bed, i made all, I can lie like i be never wrong, but i've been gone too long.

I don't even know if you still care it all, yeah.

Yeah i just wanna be there, there you whispering on my chest.

I said im sorry, i'm sorry, sorry, i'm sorry, sorry for november (x2)

Girl wish i could go back, yeah.

Never meant to act like that.

Girl i wish i could go back.

Girl i wish i could.

Now baby i keep on running, or maybe i could work it out.

And baby i know i had it coming.

And i know your gonna have your doubts.

But i'm being genuin now.

Maybe just a friend, girl.

I'll be happier than you'll ever know.

Just listen to me girl, I don't want an emimy now.

I'm just trying to say i'm sorry

I'm sorry, i'm sorry, sorry, i'm sorry, sorry for november(x2)

Is somebody with me put your lighters in the air
If you miss your girl put your lighters in the air,

This goes out to the world

Is somebody with me put your lighters in the air.(x2)

I said i'm sorry, i'm sorry, sorry, i'm sorry, sorry for november(x4)

This goes out to the world, yeah.

I'm just trying to be man girl, yeah.

This goes out to your girl

only man for you, can you forgive me girl?
