started with em Vickie's, started when she kissed me,
hands up on her body, run like a Ducati,
three up in the morning, girl where still going,
i just wanna hit it creep it love it that will make you sick
of staying on it
on the head on the head on the head on the(x4)

stutin like she love me, tryna make me notice
it's you & me girl im just tryna get up on it
i see her with them Vickie's don't tell me whats your
secret
the night is still young already making me loose it
i see you with the cuff girl whatcha wanna do with that
baby how she mount after this we gon bring it back
and later roll playing in my mind im just saying
when the clock hits morning i betcha gon fall in love

started with em Vickie's, started when she kissed me,
hands up on her body, run like a Ducati,
three up in the morning, girl where still going,
i just wanna hit it creep it love it that will make you sick
of staying on it
on the head on the head on the head on the(x4)

we on til we can't get enough as i recall your body was
on me
forget about them Vickie's who cares if you got it on
after a couple of drinks baby girl there come off
Its picture perfect over here girl you make me lose my
mind
we had until the end zone girl ill be your quarter back
and later roll playing in my mind im just saying
when the clock hits morning i betcha gon fall in love

started with em Vickie's, started when she kissed me,
hands up on her body, run like a Ducati,
three up in the morning, girl where still going,
i just wanna hit it creep it love it that will make you sick
of staying on it
on the head on the head on the head on the(x4)

she going like a bunny we watch them neighbours

knockin
til three in the morning we waited for a minute
and then hop in the shower and waited for a minute
and got right back in there the temperature risen
coz we on the
on the head on the head on the head on the(x4)

started with em Vickie's, started when she kissed me,
hands up on her body, run like a Ducati,
three up in the morning, girl where still going,
i just wanna hit it creep it love it that will make you sick
of staying on it
on the head on the head on the head on the(x4)
