Youâ€™re like winter in California  
youâ€™re hot than you're cold, cold  
Youâ€™re like winter in California  
youâ€™re hot than your cold, cold  
Girl be careful what you say to me  
it ainâ€™t nothing but a phase to me  
I can make your life a living hell  
but I told you not to play with me  
Girl you better watch your tongue  
donâ€™t know whats been going on  
but youâ€™re fuckin up your home baby  
Iâ€™ve been tryin to keep it cool  
but you wreckin all the rules  
Iâ€™m telling you  
Chorus:  
Youâ€™re hot than you're cold, cold  
youâ€™re like winter in California  
youâ€™re hot than you're cold, cold  
The minute I'm with ya the next minute you switch up  
sometimes I don't know, know  
youâ€™re like winter in California  
youâ€™re hot than you're cold, cold  
youâ€™re like winter in California  
youâ€™re hot than you're cold  
Girl you donâ€™t know who youâ€™re fucking with  
but I know you ainâ€™t gonna fuckin win  
you begin, i know you very well  
but instead round and talking cheap  
Girl you better watch your tongue  
donâ€™t know whats been going on  
but youâ€™re fuckin up your home baby, baby  
Iâ€™ve been tryin to keep it cool  
but you wreckin all the rules  
Iâ€™m telling you  
[Chorus:]  
Bitch what the fuck wrong with you  
you hot then you cold like you gotta fuckin flu  
how you gonna see that the problem is you  
you heard rumors about me and are probably true  
you know what it is you was plan A  
but I keep the plan B like I donâ€™t kids  
think about it is my nigga CG

and my big sis told me it was a crazy bitch  
crazy bitch, you think I'm about that without that  
drama  
I deal with enough of that top on that I got a crazy ass  
baby mama  
It never rains in Southern California  
But you make a nigga sicker than the morning  
[Chorus:]
