I know that it's ten  
And you're stayin' in  
La la la la la la la la la  
And you're stayin' home  
And I'm all alone  
La la la la la la la la la

Wont you, won't you, won't you  
Bring a little water  
Bring a little wine  
Bring a little lovin'  
And I feel fine  
I know that you want to  
And I know that you do  
Come in here and love with me

If I enduring rain  
But it's all the same  
La la la la la la la la la  
I'm payin' for this call  
And I don't mind at all  
La la la la la la la la la

Wont you, won't you, won't you  
Bring a little water  
Bring a little wine  
Bring a little lovin'  
And I feel fine  
I know that you want to  
I know that you do  
Come on here and love with me

Wont you, won't you, won't you  
Wont you, won't you, won't you  
Bring a little water  
Bring a little wine  
Bring a little lovin'  
And I feel fine  
Know that you want to  
I know that you do  
Come in here and love with me
