I went by your house today  
To tell you what my heart has to say  
His car was there so I drove away

I know he messed around again  
With that lonely girl that you call a friend  
With guys like that the lies never end

(Bridge)  
And IÂ...  
I hope youÂ're OK

(Chorus)  
Â"cause all I want is to be with you  
All I want is tonight  
I know weÂ're not in love  
But thatÂ's alright

I have been your shoulder so many times  
Smiled away the tears from your eyes  
I think itÂ's time you finally knew why  
And I could never see what you saw in him  
He doesnÂ't seem to see just how special you are  
And IÂ've been waiting here as he walked on you  
Did the things that I would never do

(Bridge)  
(Chorus)

All I really want  
Is to be with you when the day is done  
All I really want  
Is to see you smiling in the morning sun

(Chorus)
