Hey youÂ...
HowÂ've you been?
ItÂ's been a long time since I was 18
And I remember how it felt to be with you
And I remember how it felt when you left
I remember
I remember you

Seems like yesterday
They couldnÂ't separate us two
We were our best friends
Our only friends
It was always me and you

But now itÂ's been a lifetime
And IÂ've forgotten all our songs
But I remember
I remember you

Life goes on and on and on you shouted
As you were leaving
And time it just moved on and on you faded from my
mind

But now itÂ's been a lifetime

And IÂ've forgotten all your lines
But I remember
I remember you

Hey you
HowÂ've you been?
You nearly ruined me when I was 18
AinÂ't it funny how the things you canÂ't live without
Are the things that keep you from living?

But now itÂ's been a lifetime
And IÂ've forgotten all your lies
But I remember
I remember you
Now itÂ's been a lifetime
And time is loveÂ's apology

IÂ'm glad to see youÂ're still aliveÂ...
Goodbye.
