Iâ€™ve played every bar from here to San Antonio
Just tryinâ€™ to make my mark and make it on the radio
Iâ€™ve given everything to Rock and Roll except my soul
But now I find myself standing at the crossroads

All I ever really wanted was to stand on stage in front of
20,000
Spent half my life tryin to find a way to climb that
mountain
(x2)

(Chorus)
So turn up the kick drum and the heavy guitar
I wanna be a rockstar
Long haired cutie getting groovy in the back of my car

I wanna be a rockstar

Iâ€™ll sign my autograph with a Sharpie made of solid
gold
Fend off Winona and save the world with Bono
And in my private jet Iâ€™ll soar through every time zone
Then pose with Mick and Keith on the cover of the
Rolling Stone

(Chorus)
