Right brain's insane
Gonna use my left brain
And I know, I don't wanna be so proud
You don't have to be around when
I held you in place

It's all contained
Gonna use my head pain
And I know, I don't wanna be so proud
(But you are)
You don't have to be around but
You held me in pain

It's all her reign
Living in my guilt stains
And I know, I don't wanna be so proud
(In a lie)
You don't have to be around and
He used you in vain

Right brain's insane
Gonna use my left brain
And I know, I don't wanna be so proud
You don't have to be around and
I held you in place

Hooo, hooo
Like Mona Lisa
A masterpiece of...

A masterpiece of...

I wanted to, I want it to hurt
(And I need it)
I want it too, I want it to hurt

It's all contained
Gonna use my head pain
And I know, I don't wanna be so proud
You don't have to be around but
You call me again

Hooo, hooo
Like Mona Lisa
A masterpiece of...

You don't know this song
But I bet you wanna sing along
