(One-two microphone check one-two)

I'm slippin syllables, wiser than Salomon  
So yo, pass the mic, so I can rock the Metropolitan  
I write just like a novelist, no one's as hard as this  
Step from the stage, because I'm sparkin it like  
Spartacus  
Phonics, will flow, just like the Phoenix  
I'm pickin up the planet, then I'm droppin it like Venus  
With drama, drama, state of the art  
So dance to my record till death do us part  
It's Fatal, my partner in crime, but not a crook  
And yo, I'm droppin science like a school text book  
I'm not the batman, but I'm the man that's black  
I'm kickin crazy vocals, cause I'm makin crazy track  
I can't sing, but if I could sing, I'd sing soprano  
Yo, this beat is chunky, and it's funky with piano  
Sports, I never play sports, I'm not athletic  
I'm pickin up the pen to make my poetry poetic  
Some brothers tried to stop me, but yo, I didn't let em  
The mic is like a gun, and if they front I'm gonna wet  
em  
Supervise em, the indicator  
My DJ is capable of cutting any fader  
It's Trag, I'm livin large, swell and chunky  
Yo, this sure is funky

I'm havoc, Tragedy tragic  
Marley's motivatin the mix just like Magic  
So jump on my train, the stops are goin local  
I'm makin crazy track, because I'm kickin crazy vocals  
When you see me, don't call me Trag, just call me  
mister  
I'm harder than your father, plus I'm pretty like your  
sister  
So please, shut the fuck up when I'm speakin  
I'm asiatic, DJ Fatal's puertorican  
Smooth, I'm smoother than smooth this style's  
perfected  
Slow, I'm slower than slow, and yet effective  
More than talented. blessed with this potential

Yo, my name's not Ed, but this rap is kinda Special  
Stop me, but if you could stop me, then you would stop  
me  
Yo, rap is a game, and I play it just like Monopoly  
Brothers, brothers on the block say that I'm losin it  
Done, but if you could do, then you'd be doin it  
So sleep, but please don't snore when I'm talkin  
Sleep, you could keep sleepin and sleepwalkin  
Trag, but Trag won't sleep, cause I'm awoken  
I'm smart, my spartanic speech is outspoken  
I'm strong, like Samson, some say I'm handsome  
I grab the mic, and then I hold it like a ransom  
I'm large, fat, swell, I'm livin chunky  
Yo, this sure is funky
