Wild as a coastal Barronca  
Swift as the wind blowing free  
With two eyes like fire brands that glow in the night  
Somewhere up there he's waiting for me

And he knows that I'm coming' for him  
And I just can't rest till I find  
That raven black Stallion who wears no man's brand  
With a wild restless spirit like mine

They call him Caballo Diablo  
Half-horse, half-devil they say  
Caballo Diablo the outlaw  
Up a top the Sierra Madre

Two men before tried to take him  
They had their chance one by one  
But each met his fate when those flashing' black  
hooves  
Brought death 'neath the Mexican sun

Still I can't leave I must find him  
You fool of a horse, can't you see?  
Well I may be half man but the other half's devil  
And you're just exactly like me

They call him Caballo Diablo  
Half-horse and half-devil they say  
Caballo Diablo the outlaw  
Up a top the Sierra Madre

Even the breezes stopped moving  
Hush now, be still  
Don't make a sound and stay close to the ground  
'Cause he's waitin' just over that hill

Downwind behind him move quickly  
Do it fast now he's starting to stir  
Grab a handful of mane and up on to his back  
And start raking him down with your spurs

But try as he will, he can't shake me

As over the precipice we go  
To spell the life blood of a horse and a man  
On the rocky Sierra below

They call him Caballo Diablo  
Half-horse, half-devil they say  
Caballo Diablo the outlaw  
Up a top the Sierra Madre
