Hold tight with a leather fist
Watch out when he starts to twist
What their daddies used to tell them boys
How to ride them bulls

I got a jingle in my jeans
Sore places in between
And I'm leavin' on a saw blade
With a push and a pull

10-4 Buddy, come on back
A horse trailer on a Cadillac
Yeah, we're talkin' to the cowboy
In the Coupe de Ville

Chug-a-luggin' up one side
Slidin' down the other
Well, I'm a lover of the other side of the hill

Turn up that radio
Don't wanna think about a rodeo
Don't wanna think about a round-up
Up in old Cheyenne

Well, it's a crazy circuit
Ah, but still you work it
Turn down that sound, boys
Let's get up and check the scan

10-4 Buddy, come on back
A horse trailer on a Cadillac
Yeah, we're talkin' to the cowboy
In the Coupe de Ville

Chug-a-luggin' up one side
Slidin' down the other
Well, I'm a lover of the other side of the hill

Bandanna hangin' on the mirror
Still wet from ear to ear
Well, I guess it's true then
What the wise men say

When you ride your last one
Make sure he's the best one
Jump while he's movin'
Tip your hat boys and walk away

10-4 Buddy, come on back
A horse trailer on a Cadillac
Yeah, we're talkin' to the cowboy
In the Coupe de Ville

Chug-a-luggin' up one side
Slidin' down the other
Well, I'm a lover of the other side of the hill

10-4 Buddy, come on back
A horse trailer on a Cadillac
Yeah, we're talkin' to the cowboy
In the Coupe de Ville

Chug-a-luggin' up one side
Slidin' down the other
Well, I'm a lover of the other side of the hill
Well, I'm a lover of the other side of the hill
