Well your mama finds it hard to understand  
Why her lovin' son wants to be a rodeo man  
And your daddy had a whole lotta great big plans for  
you  
You hate to disappoint him but you got other things to  
do

Now your best girl thinks it's time you settle down  
You finally graduated and she's ready for a weddin'  
gown.  
But there's a great big world just a-waitin' out there for  
you  
And if she really loved ya she can wait another year or  
two

Chorus:  
And nobody really knows how you feel inside  
The road gets rough and the goin' gets tough but you  
know you've got to try  
And there ain't no way they're ever gonna change your  
mind  
Ah Don't everybody know, a cowboy's got to ride

[ guitar ]

Now your high school buddies say, "Man you've gone  
insane,  
Don't you know rodeo's a crazy foolish game?"  
But you can see in their eyes a little bit of jealousy  
They'll all be workin' nine to five you're footloose and  
fancy free

Chorus

And nobody really knows how you feel inside  
[ guitar]

And nobody really knows how you feel inside  
The road gets rough and the goin' gets tough but you  
know you've got to try  
And there ain't no way they're ever gonna change your  
mind

Ah Don't everybody know, a cowboys got to ride
