While I was walkin' one mornin' for pleasure  
I spied a young cowboy just ridin' along  
His hat was thrown back and his spurs were jinglin'  
And as he approached he was singin' this song

Yippy ti yi yo, get along little doggies  
It's your misfortune and none of my own  
Yippy ti yi yo, get along little doggies  
You know that Wyoming will be your new home

Now, early in spring we'll round up the doggies  
Mark 'em and brand 'em and bob off their tails  
Round up the horses, load up the check wagons  
And follow the doggies on the lonesome old trail

Yippy ti yi yo, get along little doggies  
It's your misfortune and none of my own  
Yippy ti yi yo, get along little doggies  
You know that Wyoming will be your new home
